PREFACE

The HI CONNECTION Software/Systems Abstract is an alphabetical listing by application of software/system packages that support Houston Instrument products. For further information about any specific software/systems package please contact the software vendor referenced in the Vendor Listing. For further information about Houston Instrument products please contact the Houston Instrument distributor or representative in your area.

The following information will help to identify which Houston Instrument product is supported by the software/systems package. Since vendors are continually adding support of Houston Instrument products and computers it is suggested that you check with the vendor about support of any hardware not currently listed.

Plotter Paper Size	Plotter Model Supported
A/B	DMP-29, DMP-40, DMP-40-2, PC 595, PC 695
C/D	DMP-41, DMP-42, DMP-51, DMP-52, DMP-51 MP, DMP-52 MP
E	CPS-19/DMPL

NOTE: Please contact vendor for support information on obsolete products.

If "HI Pad" column is marked this indicates digitizer support. Please contact vendor for exact digitizer model supported.

Addresses and phone numbers of vendors are located in the Vendor Listing. Use the "Vendor Number" column reference number to locate the vendor on the Vendor Listing.
